INTERVENOR'S LAY WITNESS LIST

COMES NOW Intervenor, the Board of County Commissioners of Garfield County, Colorado (hereinafter "BOCC"), acting by and through its local designee, Judy Jordan, and the Garfield County Attorney's Office, Cassandra Coleman, Assistant Garfield County Attorney, and herein provides a list of lay witnesses that will or may be called at the hearing currently set for January 13, 2011, on the above-captioned matter.

I. WILL CALL

Name, Address & Telephone	Anticipated Length of Testimony
Tresi Houpt 108 8th Street, Suite 213 Glenwood Springs, CO 81601 (970) 945-5004.	10 min.

Ms. Houpt will testify regarding the COGCC Rules as applied, and the practices of Garfield County directed to the protection of the public health, safety and welfare of its citizens. Ms. Houpt may present specific evidence concerning the impacts to Garfield County thoroughfares in the proposed drilling area.

II. MAY CALL

Name, Address & Telephone

Lou Vallario, Garfield County Sheriff
107 8th Street
Glenwood Springs, CO 81601
(970) 945-0453

Mr. Vallario may present evidence as the Garfield County Sheriff concerning the negative impacts of increased well density and the traffic associated with that increased density upon the safety of the traveling public in the impacted area.

Marvin Stephens
Garfield County Road & Bridge Director
0298 County Road 333A
Rifle, CO 81650
(970) 625-8601.

Mr. Stephens may present evidence as the Garfield County Road and Bridge Director concerning impacts to county roads and the necessity to mitigate those impacts through redesign and reconstruction of the impacted county roads.

Randy Withee, Garfield County Engineer
0375 County Road 352, Bldg 2060
Rifle, CO 81650
(970) 625-5939

Mr. Withee may present evidence as the Garfield County Engineer concerning the inadequate design of county transportation corridors in the impacted area for use for additional heavy construction and industrial traffic in the vicinity of the proposed increased drilling. Mr. Withee may also present testimony in any technical area for which he is qualified as the Garfield County Engineer.

Leslie Robinson
444 W. 3rd
Rifle, CO 81650
(970) 625-1797

Ms. Robinson may testify as a representative of Grand Valley Citizens Alliance, concerning the impacts on the general public in the vicinity of the Silt Mesa and Peach Valley developments from the proposed Application for increased well density. She may testify concerning her knowledge of the evidence she has received from area citizens concerning current

gas developments in the same vicinity and resultant anticipated impacts from the proposal of Antero Resources Piceance Corporation.

Beth Strudley
7741 C. R. 233
Silt, CO 81652
(970) 876-0305.

Ms. Strudley is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to her residence. She may testify regarding health impacts to her family resulting from oil and gas activity in her neighborhood. Her testimony may be based upon her actual experience with the gas industry, statements by Antero Resources Piceance Corporation to her concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Fiona Lloyd
1491 C. R. 237
Silt, CO 81652
(970) 876-0374

Ms. Lloyd is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to her residence. Said testimony may be based upon actual experience with the gas industry, statements by Antero Resources Piceance Corporation concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Sandy Pickard
1401 C. R. 237
Silt, CO 81652
(970) 876- 2553

Ms. Pickard is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to her residence. Said testimony may be based upon actual experience with the gas industry, statements by Antero Resources Piceance Corporation concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Tara Meixsell
5066 C. R. 245
New Castle, CO 81647
(970) 456-3836

Ms. Meixsell is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to her residence. Said testimony may be based upon actual experience with the gas industry, statements by Antero Resources Piceance Corporation concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Linda Dixon
C. R. 262
Silt, CO 81652
(970) 876-2885

Ms. Dixon is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to her residence. Said testimony may be based upon actual experience with the gas industry, statements by Antero Resources Piceance Corporation concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Dave Pegg
1491 C. R. 237
Silt, CO 81652
(970) 876-0268

Mr. Pegg is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to his residence. Said testimony may be based upon actual experience with the gas industry, statements by Antero Resources Piceance Corporation concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Nikki Fender
0100 C. R. 250
Silt, CO 81652
(970) 876-2610

Ms. Fender is a citizen in the Peach Valley/Silt Mesa area and may be called to testify regarding impacts of increased well density in the close proximity to her residence. Said testimony may be based upon actual experience with the gas industry, statements by Antero Resources Piceance Corporation concerning their proposed development within Silt and the alteration of the nature of the impacts from the currently approved drilling program of one well and one drill pad per 160 acres to the current proposal that is many times greater in impact.

Intervenor reserves the right to call any witness listed by Antero Resources Piceance Corporation.

Intervenor reserves the right to call any witness for rebuttal and impeachment.

DATED: January 4, 2011.

Respectfully submitted,

Cassie L. Coleman, #37370
Garfield County Assistant Attorney
108 8th Street, Suite 219
Glenwood Springs, CO 81601
