Re: Docket No. 0901-SP-03

Dear Mr. Willis:

Please allow this letter to memorialize the continuance of the application in the subject docket as it applies to the following described lands:

Township 6 South, Range 92 West, 6th P.M.

Section 18: S/2

Section 19: Lot 1

Township 6 South, Range 93 West, 6th P.M.

Section 13: S/2

In addition, at the prehearing conference, Antero Resources Piceance Corporation agreed that, as to the N/2 of Section 14 in Township 6 South, Range 93 West, 6th P.M., it would not drill any Mancos Group well any closer than 600 feet to the EnCana leasehold located in the NE corner of the SE/4 of Section 15 in Township 6 South, Range 93 West, 6th P.M. Such agreement is intended to apply during the pendency of the EnCana protest.

Hopefully, this letter comports with your understanding of what Antero and EnCana agreed to at the pre hearing conference. Please call me with any questions.

Very truly yours,

BEATTY & WOZNIAK, P.C.
