APPLICATION

COMES NOW Red Hawk Petroleum LLC ("Applicant"), by and through its attorneys, Jost & Shelton Energy Group, P.C., and respectfully submits this Application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission"), for an order declaring Docket No. 1406-UP-140 (Order No. Pending), applicable to previously unlocatable parties. Docket No. 1406-UP-140 requests to pool all interests within an approximate 640-acre exploratory drilling and spacing unit for the development of the Niobrara Formation on the following described lands:

Township 7 North, Range 60 West, 6<sup>th</sup> P.M.  
Section 10: All

640-acres, more or less, Weld County, Colorado (hereinafter  
"Application Lands")

In support of its application, Applicant states and alleges as follows:

1. Applicant is a corporation duly authorized to conduct business in the State of Colorado and is an operator in good standing with the Commission.
2. Applicant owns substantial leasehold interests in the Application Lands.
3. Order No. 535-51, entered by the Commission on August 8, 2011, established an approximate 640-acre drilling and spacing unit for Section 10, Township 7 North, Range 60 West, 6th P.M., and other units for other lands, and approved one horizontal well within the unit established for Section 10, Township 7 North, Range 60 West, 6th P.M., regardless of lease lines within the unit, for the production of oil, gas and associated hydrocarbons from the Niobrara Formation, with the treated interval of the permitted well to be located no closer than 600 feet from the boundary of the unit without exception being granted by the Director of the Commission.

4. Docket No. 1406-UP-140 will be heard by the Commission on June 17, 2014 and seeks to pool all interests within an approximate 640-acre exploratory drilling and spacing unit for the Niobrara Formation underlying Application Lands.

4. Applicant has located additional interested parties since submitting the application found in Docket No. 1406-UP-140 (Docket No. Pending). The interested parties did not previously receive notice of the pooling application in Docket No. 1406-UP-140, however, Red Hawk has provided such additional parties with the appropriate information as required by Rule 530.

5. The grounds upon which Applicant seeks the pooling order, still pertain. Specifically:

a. Applicant owns substantial leasehold interests in the Application Lands.

b. Docket No. 1406-UP-140 (Order No. Pending), filed concurrently for an approximate 640-acre exploratory drilling and spacing unit for the Niobrara Formation, is scheduled to be heard.

6. Applicant requests that the Commission subject the additional interested parties to Docket No. 1406-UP-140 (Order No. Pending), as such Pending Order is made as of the earlier of the date requested in the Pending Order.

7. Applicant certifies that copies of this Application will be served on all persons owning an interest in the mineral estate of the tracts to be pooled within seven (7) days of the date hereof, as required by Rule 507.b(2), and that at least thirty (30) days prior to the hearing on this matter. The list of such interested parties is attached hereto as Exhibit A.

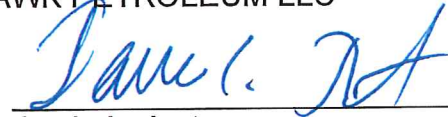

WHEREFORE, Applicant requests that this matter be set for hearing, that notice thereof be given as required by law, and that upon such hearing the Commission enter its order declaring the Pending Order applicable to the said previously unnoticed interest owners, and for such other findings and orders as the Commission may deem proper or advisable in the premises.

DATED this 29<sup>th</sup> day of May, 2014.

Respectfully submitted:
