

BEFORE THE OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

IN THE MATTER OF THE APPLICATION OF
GREAT WESTERN OPERATING COMPANY, LLC
FOR AN ORDER TO POOL ALL INTERESTS IN
TWO APPROXIMATE 640-ACRE DESIGNATED
HORIZONTAL WELLBORE SPACING UNITS IN
SECTIONS 2 AND 11, TOWNSHIP 1 SOUTH,
RANGE 67 WEST, 6TH P.M. FOR THE NIOBRARA
AND CODELL FORMATIONS, WATTENBERG
FIELD, ADAMS COUNTY, COLORADO

CAUSE NO. 407

DOCKET NO. 1412-UP-357

AMENDED APPLICATION

COMES NOW Great Western Operating Company, LLC (**Operator No. 10110**) ("Applicant"), by its attorneys, Jost & Shelton Energy Group, P.C., and makes this application to the Oil and Gas Conservation Commission of the State of Colorado ("Commission") for an order to pool all interests within two approximate 640-acre designated horizontal Wellbore Spacing Units (the "Wellbore Spacing Units" or the "WSUs"), as defined below, for the ALF LD 11-377HN Well (No API No.) and the ALF LD 11-374HC Well (No API No.) ("Wells"), for the development of the Niobrara and Codell Formations on the following described lands:

<u>Township 1 South, Range 67 West, 6th P.M.</u>	ALF LD 11-377HN Well
Section 2: W $\frac{1}{2}$	WSU #1
Section 11: W $\frac{1}{2}$	

<u>Township 1 South, Range 67 West, 6th P.M.</u>	ALF LD 11-374HC Well
Section 2: W $\frac{1}{2}$	WSU #2
Section 11: W $\frac{1}{2}$	

640 acres, more or less, Adams County, CO ("Application Lands")

In support thereof, Applicant states and alleges as follows:

1. Applicant is a corporation duly authorized to conduct business in the State of Colorado, and is a registered operator in good standing with the Commission.
2. Applicant owns certain leasehold interests in the Application Lands.
3. On February 19, 1992, the Commission entered Order No. 407-87 (amended August 20, 1993) which, among other things, established 80-acre drilling and spacing units for the production of oil, gas and associated hydrocarbons from the Codell-Niobrara Formation underlying certain lands, including the Application Lands, with the permitted well locations in accordance with the provisions of Order No. 407-1.

4. On November 16, 1992, the Commission approved Order No. 499-15, which, among other things, provided that, as to the Application Lands, and other lands, the location of all wells drilled to the Dakota and "J" Sand Formations underlying areas subject to Cause Nos. 407, 493 or 496 and at an authorized location pursuant to Rule 318 or Cause Nos. 499 or 232 shall be automatically approved, without hearing, as an authorized location for production from the Codell, Niobrara, Sussex or Shannon Formations, provided various conditions are met.

5. On April 27, 1998, the Commission adopted Rule 318A, which among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all of the Cretaceous Age Formations from the base of the Dakota Formation to the surface. On December 5, 2005, Rule 318A was amended to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was again amended to, among other things, address the drilling of horizontal wells.

6. On June 27, 2011, the Commission approved Order No. 232-279, which pooled all nonconsenting interests in a designated approximate 160-acre drilling and spacing unit for the S $\frac{1}{2}$ SW $\frac{1}{4}$ of Section 35, Township 1 North, Range 67 West, 6th P.M. and N $\frac{1}{2}$ NW $\frac{1}{4}$ of Section 2, Township 1 South, Range 67 West, 6th P.M. for the Dry Creek #35-35 Well (API No. 05-123-31018), and imposed the cost recovery provisions of §34-60-116(7)(b), C.R.S. as to all non-consenting parties for the well.

7. Applicant designated the **two (2)** approximate 640-acre horizontal Wellbore Spacing **Units** for the production of oil, gas, and associated hydrocarbons from the **Codell and Niobrara Formations** pursuant to Rule 318A and notified the appropriate parties under Rule 318A.

8. Applicant, pursuant to Commission Rule 530 and/or the provisions of C.R.S. § 34-60-116 (6) and (7), hereby requests an order to pool all interests within WSU #1, including but not limited to, any nonconsenting interests and leased mineral interests, in the Application Lands in the Niobrara Formation underlying the following approximate 640-acre Wellbore Spacing Unit for the ALF LD 11-377HN Well:

<u>Township 1 South, Range 67 West, 6th P.M.</u>	ALF LD 11-377HN Well
Section 2: W $\frac{1}{2}$	WSU #1
Section 11: W $\frac{1}{2}$	

9. Applicant requests that the Commission's pooling order be made effective as of the earlier of the date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of the ALF LD 11-377HN Well to the Niobrara Formation on the Application Lands.

10. Applicant, pursuant to Commission Rule 530 and/or the provisions of C.R.S. § 34-60-116 (6) and (7), hereby requests an order to pool all interests within WSU #2, including but not limited to, any nonconsenting interests and leased mineral interests, in

the Application Lands in the **Codell** Formation underlying the following approximate 640-acre Wellbore Spacing Unit for the ALF LD 11-374HC Well:

<u>Township 1 South, Range 67 West, 6th P.M.</u>	ALF LD 11-374HC Well
Section 2: W $\frac{1}{2}$	WSU #2
Section 11: W $\frac{1}{2}$	

11. Applicant requests that the Commission's pooling order be made effective as of the earlier of the date of this Application, or the date that the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of the ALF LD 11-374HC Well to the **Codell** Formation on the Application Lands.

12. Applicant certifies that copies of this Application will be served on all persons owning an interest in the mineral estate of the tracts to be pooled, including leased mineral interest owners, within seven (7) days of the date hereof, as required by Rule 507.b(2), and that at least thirty-five (35) days prior to the hearing on this matter, each such interest owner not already leased or voluntarily pooled will be offered the opportunity to lease, or to participate in the drilling of the **Wells**, and will be provided with the information required by Rule 530 as applicable. The list of such interested parties is attached hereto as Exhibit A.

13. That in order to prevent waste and to protect correlative rights, all interests in the Wellbore Spacing **Units** should be pooled for the orderly development of the **Codell** and Niobrara **Formations**, including any nonconsenting interests therein.

WHEREFORE, Applicant requests that this matter be set for hearing at the next available opportunity, that notice be given as required by law, and that upon such hearing, the Commission enter its order:

A. Pooling all interests in **two (2)** approximate 640-acre designated horizontal Wellbore Spacing **Units** established for the Application Lands for development of the **Codell and Niobrara Formations**.

B. As to WSU #1, providing that the Commission's pooling order is made effective as of the earlier of the date of this Application, or the date that any of the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of the ALF LD 11-377HN Well to the Niobrara Formation on the Application Lands.

C. As to WSU #2, providing that the Commission's pooling order is made effective as of the earlier of the date of this Application, or the date that any of the costs specified in C.R.S. § 34-60-116(7)(b) are first incurred for the drilling of the ALF LD 11-374HC Well to the **Codell** Formation on the Application Lands.

D. Providing that the interests of any owners with whom the Applicant has been unable to secure a lease or other agreement to participate in the drilling of the **Wells** are pooled by operation of statute, pursuant to C.R.S. § 34-60-116(6) and (7), and made subject to the cost recovery provisions thereof with respect to the **Wells** drilled to develop the **Codell and Niobrara Formations** in the Wellbore Spacing **Units** composed of the Application Lands.

E. For such other findings and orders as the Commission may deem proper or advisable in this matter.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing in December 2014, that notice be given as required by law, and that upon such hearing, the Commission enter its order consistent with Applicant's request as set forth above.

Dated: **November** 14, 2014.

Respectfully submitted:
