Applicant certifies that copies of the Application will be mailed to all persons owning an interest in the mineral estate of the Application Lands listed on Exhibit B within seven days of the date hereof pursuant to Rule 507.b(2). Applicant further certifies that all unleased and/or non-consenting mineral owners have been, or will be, offered a reasonable lease offer or to voluntarily participate in the drilling and completion of the Wells as required by Rule 530, at least thirty-five (35) days prior to the hearing on this Application. To date, however, not all of such mineral owners have elected to participate by agreeing to bear their respective proportionate shares of the costs and risks of drilling, completing and operating the Wells.

17. Applicant submits that that the mineral leasehold interests in the E½NE¼ of Section 5 of the Application Lands is subject to pending litigation before the United States District Court for the District of Colorado, Civil Action No. 1:15-cv-01337-KMT. By providing notice to Briller, Inc., Applicant is in no way conceding that Briller, Inc. or any of its affiliated entities or principals have any interests in the Application Lands and WSU Nos. 1-8, leasehold or otherwise, and Applicant expressly hereby reserves its rights, claims, and defenses to continue to claim or contend in any court or regulatory proceeding that Briller, Inc. or any of its affiliated entities or principals have no interests in the Application Lands and WSU Nos. 1-8. Applicant submits that any payments attributable to production from the E½NE¼ from the Subject Wells will be suspended, and all accounting of any non-consenting pooled interest in the E½NE¼ will not occur until such time as the United States District Court or any other court with appropriate jurisdiction enters a final order adjudicating the status of leasehold ownership in the E½NE¼ of Section 5 of the Application Lands.

18. Applicant, pursuant to the applicable Colorado Revised Statutes and COGCC Rules, including Rule 530 and §34-60-116, C.R.S., and in order to prevent waste, protect correlative rights and foster the best interests of conservation of oil and gas resources, seeks an order to pool all interests, including but not limited to, any non-consenting interests and leased mineral interests, in WSU Nos. 1-8 designated for the Application Lands for the development and operation of the Codell and Niobrara Formations.

19. Applicant requests that the Commission's pooling order issued with respect to this Application be made effective as of the date of this Application, or the date that the costs specified in §34-60-116(7)(b), C.R.S. are first incurred for the drilling of the Subject Wells in WSU Nos. 1-8.

20. Further, Applicant requests that any non-consenting interests with whom the Applicant has been unable to secure a lease or other agreement to participate in the drilling of the Subject Wells, be made subject to the cost recovery provisions of §34-60-116(7), C.R.S.

21. Applicant submits the granting of this Application is in accord with the Oil and Gas Conservation Act §§34-60-101, *et seq*, C.R.S., and Commission Rules.

22. Applicant requests that relief granted under this Application should be effective upon oral order of the Commission.
