Section 23, Township 6 North, Range 62 West, 6th P.M. is subject to Rule 318A for the Codell Formation.

On March 7, 2013 (**Amended on April 18, 2013**), Bill Barrett Corporation ("BBC" or "Applicant"), by its attorneys, filed with the Commission pursuant to § 34-60-116 C.R.S., a verified **amended** application ("**Amended** Application") for an order to establish an approximate 640-acre drilling and spacing unit for the below-described lands ("Application Lands"), and approve **up to four** horizontal wells within the unit, for the production of oil, gas and associated hydrocarbons from the Codell Formation, with the treated interval of the permitted well to be located not less than 460 feet from the proposed unit boundaries and an **inter-well setback not less than 250 feet from the treated interval of any well producing from the Codell Formation**, from a surface location authorized by Rule 318A(l).a., or on other lands with consent of the landowner, without exception from the Director:
