Section 23, Township 6 North, Range 62 West, 6th P.M. is subject to Rule 318A for the Codell Formation.

On March 7, 2013, Bill Barrett Corporation ("BBC" or "Applicant"), by its attorneys, filed with the Commission pursuant to § 34-60-116 C.R.S., a verified application ("Application") for an order to establish an approximate 640-acre drilling and spacing unit for the below-described lands ("Application Lands"), and approve one horizontal well within the unit, for the production of oil, gas and associated hydrocarbons from the Codell Formation, with the treated interval of the permitted well to be located not less than 460 feet from the proposed unit boundaries from a surface location authorized by Rule 318A(l).a., or on other lands with consent of the landowner, without exception from the Director:
