The units consist of the E $\frac{1}{2}$ and W $\frac{1}{2}$ or the N $\frac{1}{2}$ and S $\frac{1}{2}$ of each quarter section with the permitted well located in the center of the NW $\frac{1}{4}$ and SE $\frac{1}{4}$ of each quarter section with a tolerance of 200 feet in any direction. Multiple completion of wells in the Codell and Niobrara formations and where there is no difference in ownership between formations, commingling of production from said formations in the wellbore is allowed by Order No. 410-2. The E½ E½ of Section 29, Township 6 North, Range 65 West, 6th P.M is subject to this order for the Codell and Niobrara Formations.
