

Training for Implementing the Interim Policy for APDs

Due to an overwhelming response to the industry training sessions proposed for 18th and 19th of December these classes are closed. However, we are looking into the possibility of additional classes after the first of the year.

The staff is working on the development of the training materials that be posted on the website will as soon as it is available. We anticipate that there may be a few additions or revisions following the interagency training on the 17th. Please check for updates.
