

**BEFORE THE OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO**

**IN THE MATTER OF THE APPLICATION OF
EXTRACTION OIL AND GAS, LLC. FOR AN ORDER
POOLING INTERESTS IN THE NIOBRARA AND
CODELL FORMATIONS FOR HORIZONTAL WELLS
LOCATED IN A PORTION OF THE
WATTENBERG FIELD AND FOR THE
ESTABLISHMENT OF THE DRILLING AND
SPACING HORIZONTAL WELL UNIT
FOR THE PRODUCTION OF OIL AND GAS FROM
THE NIOBRARA AND CODELL FORMATIONS
IN WELD COUNTY, COLORADO**

CAUSE NO. 407

DOCKET NO. 151200668

COMES NOW Extraction Oil and Gas, LLC, ("Applicant") by and through its attorney, Thomas J. Kimmell of Zarlengo & Kimmell, PC and for its **AMENDED** application for an order for the involuntary pooling of certain interests in production from the Niobrara and Codell formations in the lands described below pursuant to CRS § 34-60-116 and for an order establishing the horizontal drilling and spacing unit pursuant to Cause No. 407-87 and Rule 318A(a)(4)(D), states and alleges as follows:

1. Applicant is duly authorized to conduct business in the State of Colorado, has an Operator Identification number of 10459, and owns an interest in and operates oil and gas leases, oil and gas wells, and mineral interests covering portions of certain lands located in Weld County, Colorado described as follows:

Township 5 North, Range 65 West, 5th P.M.,
Sections 7 and 8
Weld County, Colorado

2. On April 27, 1988, the Commission adopted Rule 318A, which among other things, allowed certain drilling locations to be utilized to drill or twin a well, deepen a well or recomplete a well and to commingle any or all Cretaceous Age Formations from the base of the Dakota Formation to the surface. Rule 318A supersedes all prior Commission drilling and spacing orders affecting well location and density requirements of Greater Wattenberg Area wells. On December 5, 2005, Rule 318A was amended, among other things, to allow interior infill and boundary wells to be drilled and wellbore spacing units to be established. On August 8, 2011, Rule 318A was again amended, among other things, to address drilling of horizontal wells. Sections 7 and 8, Township 5 North, Range 65 West, and 6th P.M. are subject to Rule 318A for the Niobrara and Codell Formations.

3. The above-described lands are included within the area governed by the Greater Wattenberg Area Special Well Location Rule, Rule 318A (I) of the Commission rules and the Wattenberg spaced area for the production of oil and gas from the Niobrara and Codell formations (See Order No. 407-87 for the Niobrara and Codell formations).
4. Pursuant to Rule 318A(a)(4)(D), where a drilling and spacing unit does not exist for a horizontal well, as in the present case, a horizontal wellbore spacing unit shall be designated by the operator for each proposed horizontal well. The horizontal wellbore spacing unit shall be comprised of the governmental quarter-quarter sections in which the wellbore lateral penetrates the productive formation as well as any governmental quarter-quarter sections that are located less than four hundred sixty (460) feet from the portion of the wellbore lateral that penetrates the productive zone regardless of section or quarter section lines. In the present case, the laterals of the proposed horizontal wells will either penetrate or be located within 460 feet of sixteen quarter quarter sections comprising in total Section 7: N/2 and Section 8: N/2 and Applicant has designated such wellbore spacing units in its filings of applications to drill as to the underlying wells. **THE APPLICATIONS FOR PERMITS TO DRILL HAVE BEEN APPROVED AND API NUMBERS HAVE BEEN ISSUED FOR THESE WELLS AND THUS DESIGNATED HORIZONTAL WELLBORE UNITS HAVE BEEN CREATED UNDER RULE 318A** Consistent with the unit designated under Rule 318A(a)(4)(D), Applicant proposes herein the establishment of a horizontal well drilling and spacing unit and upon approval of such drilling and spacing unit, will file a sundry notice to vacate the wellbore spacing units established by the filing of applications for permits to drill as to the wells designated in paragraph 7 below.
5. Applicant is further requesting that the established 80-acre spacing for vertical Niobrara and Codell formation wells be vacated. **APPLICANT IS NOT REQUESTING THE CHANGE OF ANY ESTABLISHED 80-ACRE DRILLING AND SPACING UNITS OR THE ESTABLISHED DISTRIBUTION OF PROCEEDS FROM ANY EXISTING VERTICAL NIOBRARA OR CODELL FORMATION WELL.** Applicant will allocate and distribute proceeds from the horizontal wells on a 640 acre basis.
6. Consistent with the findings in the rulemaking that resulted in the adapted Rule 318A(a)(4)(D) and in order to protect the correlative rights of the owners of the landowner and overriding royalty interests in and to production from the Niobrara and Codell formations in and under the lands above described and to ensure that each such owner has the opportunity to recover his or her just and equitable share of the oil, gas and associated hydrocarbons produced and to be produced from the Niobrara and Codell formations and to enable the drilling parties to develop these formations and lands, it is necessary to designate the one 640 acre **POOLING** drilling and spacing unit consisting of the N/2 of Section 7 and the N/2 of Section 8 described above. Pursuant to designation of this 640 acre drilling and spacing **POOLING** unit, Applicant is entitled to conduct all operations reasonably necessary on such spacing unit to produce the oil and gas reserves described above, including, without limitation, drilling, completion, hydraulic fracturing, and conducting geophysical surveys.

7. Due to the costs and risks associated with the proposed horizontal wells, the creation of one 640 acre **POOLING** ~~drilling and spacing unit~~ is necessary to ensure that each such owner has the opportunity to recover his, her or its just and equitable share of the oil, gas and other associated hydrocarbons produced and to be produced from the Niobrara and Codell formations in and under the N/2 of Section 7 and the N/2 of Section 8 above described. In particular, Applicant proposes to drill, complete and operate the wells described below on such ~~drilling and spacing unit~~ (referred to as the "Initial Wells"). These Initial Wells and their associated API numbers are as follows: MT-Maplewood 1-8-7 (API # 051234216700), MT-Maplewood C2-8-7 (API # 051234216400), MT-Maplewood 2-8-7 (API # 051234218200), MT-Maplewood 3-8-7 (API # 051234216300), MT-Maplewood C3-8-7 (API # 051234216500), MT-Maplewood 4-8-7 (API # 051234217000), MT-Maplewood 5-8-7 (API # 051234218000), MT-Maplewood C4-8-7 (API # 05 1234217500). Permits have been filed for and approved for each of the Initial Wells.
8. Applicant owns and operates oil and gas leases and wells and controls mineral interests in the N/2 of Section 7 and the N/2 of Section 8 above-described. A plat of the Spacing Unit is attached hereto as Exhibit A. Applicant requests to locate the surface facilities for the proposed horizontal wells on adjacent lands in Section 9: NE/4NW/4, Township 5 North, Range 65 West, 5th P.M. A map of the proposed Surface Development is attached hereto as Exhibit D.
9. According to the title work completed by Applicant, the interested parties in the N/2 of Section 7 and the N/2 of Section 8 are identified on Exhibit B attached hereto
10. More than 35 days prior to the date this matter will be heard, by letters sent to the persons described in Exhibit B, whose interests are unleased, Applicant offered to lease the interests in the oil and gas owned by those parties in the Spacing Unit. The letters included a proposed lease. A representative sample of the letter and the oil and gas lease is attached hereto as Exhibit C.
11. The offer to lease was made pursuant to C.R.S. § 34-60-116(7) c and Rule 530 of the rules of the Commission and the terms thereof comply with the requirements of the statute and rule.
12. In addition, in the letter containing the offer to lease described in paragraph 10, Applicant included the opportunity for each owner identified on Exhibit B, whose interests are unleased, to bear his, her or its proportionate share of the costs and risks of the drilling and operating the five Initial Wells currently planned for each Spacing Unit. The letters included the following information as required by Rule 530 of the Commission's rules:

The location and objective depths of the eight (8) Initial Wells to be drilled in the Spacing Unit,

The estimated drilling and completion costs of the eight (8) Initial Wells to be drilled in the Spacing Unit,

The estimated spud dates for the Initial Wells to be drilled in the Spacing Unit or range of time within which the spudding is to occur and

an AFE prepared by the Applicant and containing the information described above.

13. More than 35 days prior to the date this matter will be heard, the parties listed on Exhibit B, whose interests are unleased, who have not elected to bear his, her or its proportionate share of the costs and risks of drilling and operating the Initial Wells to be drilled in the Spacing Unit, have become non-consenting owners as defined by C.R.S. § 34-60-116(7) and Rule 530 of the rules of the Commission.
14. In order to prevent waste, protect correlative rights and in the best interests of conservation and to foster, encourage and promote the development, production and utilization of the oil and gas natural resources, all the unleased and nonconsenting interests in the Spacing Unit in the Niobrara and Codell formations owned by the parties listed on Exhibit B should be pooled in accordance with the provisions of C.R.S. § 34-60-116.
15. For purposes of pooling and cost recovery pursuant to C.R.S. §§ 34-60-116(6), (7), Applicant requests the Commission to order that each non-consenting owner be subject to the cost recovery provisions of C.R.S. § 34-60-116(7) for each of the Initial Wells.

WHEREFORE, Applicant respectfully requests that this matter be set for hearing, that notice thereof be given as required by law and that upon such hearing, this Commission enter its order:

- That the ~~N/2 of Section 7 and the N/2 of Section 8, T.5 N., R.65 W., above described be designated as the drilling and spacing unit for production of oil, gas and associated hydrocarbons from the Niobrara and Codell formations from the Initial Wells and conduct of oil and gas operations reasonably necessary for such production. That the interests in the 640 acre drilling and spacing unit consisting of the N/2 of Section 7 and the N/2 of Section 8 described above in the Niobrara and Codell formations owned by the parties listed on Exhibit B who are "non-consenting owners" as defined by Rule 530 of the rules of the Commission be pooled and that such owners be treated as non-consenting owners under C.R.S. § 34-60-116,~~
- Authorizing the production of oil, gas and associated hydrocarbons from the Niobrara and Codell formations from locations that are permitted by Rule 318A, and
- For such other and further relief as this Commission deems just and proper.

Dated this 29th day of **OCTOBER** ~~September~~, 2015.

Thomas J. Kimmell

 Well #8: MT-Maplewood C4-8-7, Weld County, Colorado

Dear Mineral Interest Owner:

Mineral Resources, Inc., a Greeley based oil and gas exploration company, intends to propose, drill and operate the above referenced east-west trending horizontal wells in accordance with Rule 318A.a(4)D of the Colorado Oil and Gas Conservation Commission (COGCC). Pursuant to CRS §34-60-116(7)(a) and COGCC Rule 530 we are giving you 30 day notice of your right to participate in the wells to be drilled within the spacing unit described below:

1. Wellbore Spacing Unit:

The wellbore spacing unit consists of the N/2 of Section 7, T5N, R65W; and the N/2 of Section 8, T5N, R65W, of the 6th P.M. The proposed spacing unit is a 640 acre wellbore spacing unit.

2. Target Formation:

The wells will be drilled to a total depth to sufficiently test the Codell/Niobrara formations.

3. Anticipated Spud Date:

Fall 2014, depending on rig availability.

4. Authority for Expenditure (AFE). An Authority for Expenditure (AFE) estimating the costs of drilling and completing the above wells is attached hereto. Your estimated share of these costs is \$XX.XXX.00.

5. Surface Hole Location (SHL), Bottom Hole Locations (BHL), and Wellbore Orientation:

SHL: NE/4NW/4 of Section 9, T5N, R65W, of the 6th P.M.

BHL: E/2NW/4 of Section 7, T5N, R65W, of the 6th P.M.

According to our search of public records you own your minerals, and as a mineral owner you have the option to sign a lease with our company. If you have not yet taken the opportunity to sign a lease please contact our office.

Alternatively, you may elect to participate as a Working Interest Owner in the Wells. To do so, you must indicate so on the enclosed Participation Election and return it to our office along with a signed AFE. In order to affirmatively elect to participate as a Working Interest Owner, you must return the signed Participation Election and AFE to our office within thirty (30) days of your receipt of this letter or you will be deemed to have elected not to participate. Upon our receipt of your executed affirmative election to participate and AFE, we will send you a Joint Operating Agreement ("JOA") for you to review, execute and return. Costs will be invoiced on a well-by-well basis. Invoices for your Working Interest share will be payable within thirty (30) days of the date of invoice. ***Please be aware that this form of participation carries substantial financial risk.***

Please consider your options carefully and should you have any questions call our office at 970-352-9446 or call me directly at 970-590-7443.

Sincerely,

MINERAL RESOURCES, INC.

Amy Boyd

Office Address:
5200 W 20th Street
Greeley, CO 80634

PARTICIPATION ELECTION

N/2 of Section 7, T5N, R65W; and the N/2 of Section 8, T5N, R65W, of the 6th P.M. (the "Unit")

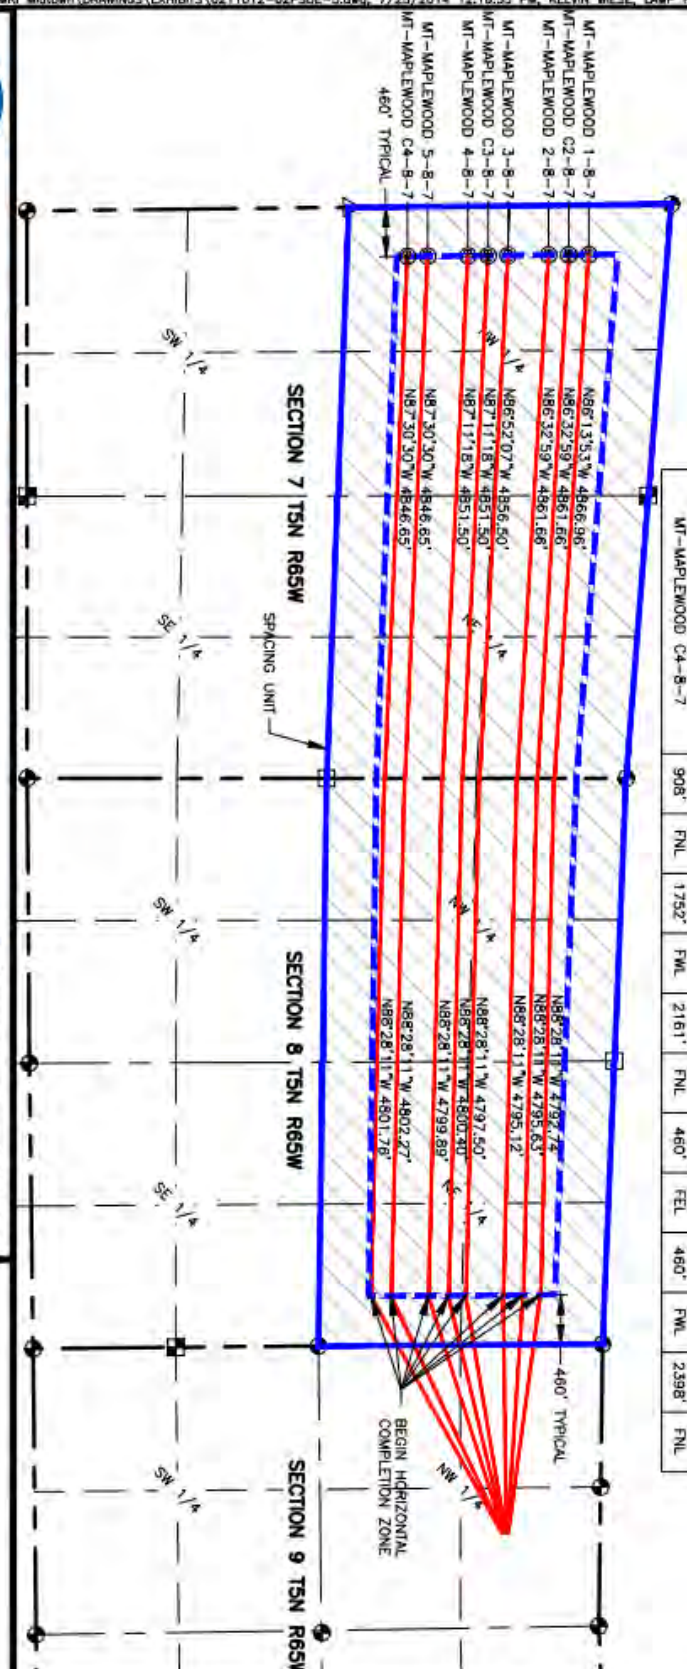

- ☐ John Doe elects to lease his/her/its/their interest to Mineral Resources, Inc. *(If you select this option please contact our office to review and sign the proposed lease.)*
- ☐ John Doe elects to participate as a Working Interest Owner in the Wells to be located in the Unit above described. *(If you select this option please return this election notice along with a signed AFE within 30 days from notice.)*
- ☐ John Doe elects not to participate in the Wells to be located in Unit above described.

Signed this ____ day of _____, 2014

John Doe
