

Consultation Form  
Rule 306

On August 1, 2008 the undersigned met with Surface owners Gary Cozzens and Leon Cozzens who are the owners of Cozzens Farms and also McClellan Reservoir regarding good faith continuing consultation pursuant to COGCC Rule 306.

The parties discussed proposed access roads, well locations, drilling pad size, flowline routes and Tank battery locations, Timing of drilling and crops and also reclamation.

This consultation was completed for the following wells:

See Attached "exhibit A" With the plats and locations.
