Dear Director,

Petroleum Development Corporation doing business as PDC Energy ("PDC") hereby certifies to the Director that a twenty 20-day notice has been given by certified mail to all owners in the proposed wellbore spacing unit. We have received a waiver to the 20-day notice period from the owner and have not received any objections to the well location or proposed spacing unit, therefore PDC hereby requests the Director to approve the well.

Please see the attached spacing unit map which certifies that the N2 of Section 32 will have no more than eight (8) bottom-hole locations producing from the Niobrara formation.

If you should have any questions or concerns regarding this permit, please contact the undersigned at (303) 860-5800.

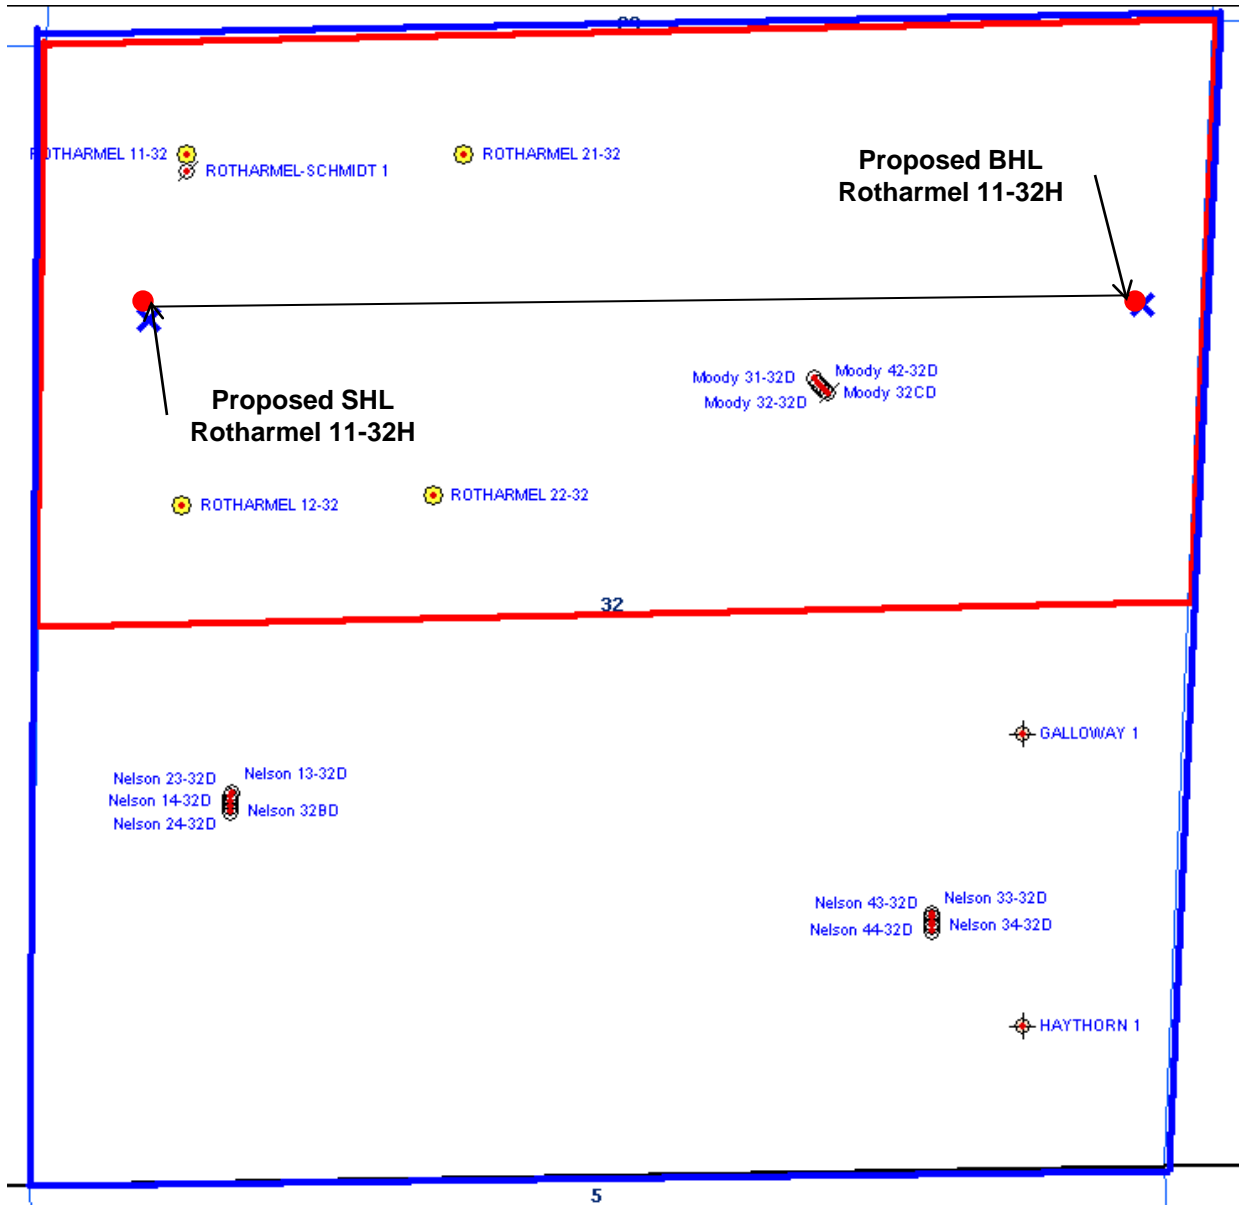

Sincerely,
