("Encana") of its intention to conduct drilling operations on the captioned wells for oil and/or gas on the referenced lands no sooner than June 1, 2012.

The attached plat illustrates the areas within which the proposed location of the well(s) and production facilities may be located pursuant to COGCC rules and policy. The location of the roads and facilities as depicted on the attached plat are only proposed locations.

Enclosed is an owner response form and we ask that you indicate your preference with regard to the consultation requirement and return the form in the self-addressed stamped envelope provided for your convenience.

Also enclosed is a copy of COGCC's brochure describing surface owner rights and responsibilities. As the surface owner, it is your responsibility to notify any affected tenant farmer, lessee or other party that may own or have an interest in any crops or surface improvements that could be affected by these proposed operations.

Should you have concerns regarding the surface location, please contact Ryan Bevans at 303.74.3986, or if you have questions about this notice, you may reach the undersigned at 720.876.3440.
