Dear Mr. Lepore:

K.P. Kauffman Company, Inc. (KPK) is planning to build the above referenced multi-well pad which include the Greeley-Rothe #1-0H, Greeley-Rothe #1-1H, Greeley-Rothe #1-2H, Greeley-Rothe #1-3H, Greeley-Rothe #1-4H, Greeley-Rothe #1-5H, Greeley-Rothe #1-6H, Greeley-Rothe #1-7H, Greeley-Rothe #1-8H, Greeley-Rothe #1-9H, horizontal wells and the Genesis #9-1, Genesis #9-1-20, Genesis #9-1-39, directional wells. The surface location of KPK's proposed multi-well pad has been mutually negotiated in a Surface Use Agreement (SUA) executed before August 1, 2013. In the subject SUA KPK and the surface owner expressly waived state and local setback requirements and established mutually agreed upon operations areas and setbacks. In consideration of the foregoing, KPK kindly requests that current setback rules contained in Rule 604.b.(2) be waived for this permit application.

Thank you for your attention to the enclosed. KPK respectfully requests that the COGCC review the enclosed information and approve the requested location waivers and Application for Permit of New Location.

Respectfully,
