Attn: Mr. Lepore, Director

Bill Barrett Corporation (BBC) is planning to drill the above mentioned well location(s). The location falls within 593' of an existing building unit making it a buffer zone location. However, BBC is the owner of the encroached upon building unit.

In accordance with Rule 305c(5) BBC hereby requests an exception to Rules 604a(2), 305a(2), 305c(2) and 306e (notification and meeting requirements).

BBC respectfully requests that the COGCC approve the requested exception location waiver and application for permit to drill the captioned wells.

If you have any questions, please contact me at 303-312-8172.

Sincerely,
