Brown,  
Terry has already reviewed the location of this planned operation. Would you please acknowledge your approval of this re-entry?  
Thanks,  
Terry

Terry,

Please forward this email to the surface owner and ask him to consent via email to this re-entry.

<image003.png> The abandoned well (Cannon Red W 15-6) is located on your property. It needs to be re-entered and re-plugged to improve the integrity of the well bore. Prior to commencement of these operations, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you and to secure your agreement in writing. **Please acknowledge your receipt of this notice and your consent to the proposed operations by responding to this email.**
