General Comment:

This inspection is in response to a bond release request from Petroglyph Operating. This pit remains open in COGCC records. This inspection is to document status of pit closure.

Based upon site inspection the pit facility has been closed and remediated. Vegetation covers former pit area (see attached photos). Pit facility has subsequently been closed in COGCC database.

COGCC Comments

Comment	User	Date
Pit facility has been closed. No further action required at this time.	kosolaj	05/11/2017
