PDC Energy, Inc. as Operator of the above described proposed well(s) hereby requests a Property Line Waiver from:

Offset Property Owner(s) Name and Address:

Miller-HFI, LLC, a Colorado limited liability company

428 N 2nd Street

La Salle, CO 80645

Pursuant to the following Colorado Oil and Gas Conservation Commission ("COGCC") Rules:

Rule 603.a.(2). Statewide location requirements

A well shall be drilled a minimum of one hundred fifty (150) feet from a surface property line. An exception may be granted by the Director if it is not feasible for the operator to meet this minimum distance requirement and a waiver is obtained from the offset surface owner. An exception request letter stating the reasons for the exception shall be submitted to the Director and accompanied by a signed waiver(s) from the offset owner(s). Such waiver shall be written and filed in the County Clerk and Records office and with the Director.

Rule 605.a.(2). Statewide location requirements

Tanks shall be located at least two (2) diameters or three hundred fifty (350) feet, whichever is smaller, from the boundary of the property on which it is built. Where the property line is a public way the tanks shall be two thirds (2/3) of the diameter from the nearest side of the public way or easement.

A complete copy of the COGCC rules and policies is available at the following website: <http://cogcc.state.co.us/>.

As the Offsetting Property Owner(s), I understand that the aforementioned well location(s) and production facility equipment may be closer than the minimum requirements set forth by the COGCC from a surface property line and consent to the location(s) as planned. I hereby waive any requirements to comply with COGCC Rules 603.a.(2) and 605.a.(2) for the aforementioned well(s).
