General Comment:

This is an Interim Reclamation & Stormwater focused Inspection. Any Corrective Actions from previous Inspections that have not been addressed are still applicable. 2A to Amend Existing Location was Approved 4/16/2018. Well API#077-08629 had been P&A'd 6/11/17 and it appears some Final Reclamation Activities had been completed before APDs for three XX Wells & 2A were Approved.
