Mr. Maxey,

Please see the complaint below. COGCC staff will be evaluating the noise complaint. However, I am referring the traffic concerns to you (please see the complainant's comment under the " Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details" question.)

Please contact me if you have any questions or concerns.

Regards,
Megan Adamczyk
Complaint Specialist

| Detailed description of the issue or issues. | Was making my house shake the noise is also a problem as well. Hear it threw my windows at night seem like I can't ever get this problem resolved before and I guess since they started drill again this is going to continue. Nothing get fixed this time I'm hiring the best lawyer I can find. Me and my wife have busted but on this |

place and lived here way before the drill. I think I have right and really just tired of calling you guy to tell me everything is ok. Well it's not. And something needs to be done this time. They have help all my neighbors with noise but me. I'm wondering why.

Do you know who the oil and gas company is? If so, please specify and if you contacted them already please indicate that and who you talked with.

Ward rig

Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details.

I will if I have to. To oil traffic not obeying my speed limit to shaking house to the constant noise. It is now a rick for my small children and will seek legal advice as well.
