Mr. Jukkola,

Thank you for using the COGCC Online Tool to file your complaint. Your information has been entered into document number 200446045, which can be reviewed via the "complaints" link on the COGCC website (colorado.gov/cogcc).

COGCC reviewed your complaint and determined that neither the pipeline construction you described nor the dust on the county road are under COGCC's jurisdiction. As such, I have referred your complaint to the Local Government Designee (LGD) for Weld County. I have provided the LGD contact information below.

Contact Name: Jason Maxey
Agency: Weld County
Address: 1555 North 17th Avenue, Greeley CO 80631
Phone: (970) 652-9403
E-mail: jmaxey@weldgov.com

COGCC staff did not identify any violations of COGCC rules that would lead to the issuance of a notice of alleged violation (NOAV) related to your complaint. Accordingly, the COGCC has closed your complaint.

If you have questions regarding this complaint, you may contact me.

Sincerely,
Megan Adamczyk, Complaint Specialist
Email: dnr_cogcc.complaints@state.co.us
Phone: 888-235-1101

> Waste Management / Dumping
> Location of Concern Weld County Road 4 between County road 15 and 17
> Detailed description of the issue or issues. Massive amounts of dust, absolutely no dust control whatsoever.
> Plastic water and other bottles along road, more than ever before in my 20 years living here, one water bottle half full of urine
> Do you know who the oil and gas company is? If so, please specify and if you contacted them already please indicate that and who you talked with. METE is the pipeline contractor for Discovery Midstream partners or Extraction. Pipeline is being laid to site that has not even had a USR review by Weld County.
> Well or facility name and number (If known). new pipeline
> Have you contacted any other agencies or local governments related to this issue or issues? If so, please provide details. not yet
> What is your preferred method for the COGCC to communicate with you throughout the investigation? (Select all that apply) e-mail

- > Would you like to answer additional optional questions related to the issues you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".Dust
- > Dust
- > What time of day are you experiencing the dust?Daylight hours
- > Is the dust coming from trucks?Yes
- > If the dust is coming from trucks, what road (As detailed as possible)?Weld Count Road 4
- > If the dust is coming from trucks, please provide names on those trucks if known.METE, Safe Harbors, A&W water and various others. lots of pickups and welder trucks
- > Dust Additional Comments (The more details the better)If there is no wind the dust hangs in the air for hours in the evening, after they have left..
- > My Concern is for my wife who suffers from MS
- > In addition to dust, would you like to answer additional optional questions related to another issue you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".Waste Management / Dumping
- > Waste Management / Dumping
- > Provide specific location where the dumping occurredonly know about WCR 4 since I mowed in front of the house today
- > Provide time and date the dumping or waste management issue occurredno specific
- > Provide company names on the trucks if knownany of many different trucks, unknown. Just know that there is more plastic bottles along where I have mowed for 20 years, one water bottle half full of urine unless someone had lemonade in clear water bottle
- > Is the dumped material in contact with surface water?No
- > Is the material being buried or covered up?No
- > Have you contacted another agency about this issue?No
- > In addition to waste management / Dumping, would you like to answer additional optional questions related to another issue you are experiencing? If so, click the appropriate issue from the below list. If not, click "NO". Then click "Continue".NO -- I JUST WANT TO SUBMIT NOW
