Attn: Mr. Rogers, Asst Director

Dear Mr. Rogers,

Enclosed are your Form 6 for each of the Wells plugged for Cherokee Air Drilling, Inc., in compliance with your instructions in our telephone conversation. Plugging was carried out following your suggestions. Three of the wells were making nothing while two were making a very slight show of gas.

Form 6's are being sent by us for Cherokee. If we can be of further service to your office in any way, please advise us.

Very truly yours,

  
Hugh E. Harvey
