**General Comment:**

On 1/30/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at EQUITY OIL CO - 27900's MCGLAUGHLIN #64 location in Rio Blanco County, Colorado.

It was documented that Location is "AL". Database incorrect; well marker on Location indicates site was constructed/drilled. Previous inspections documented a leak at the well. Operator appears to have conducted work on the well resulting in additional surface disturbance.

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.
