General Comment:**COGCC Inspection Report Summary**

On Friday 2/28/20 at approximately 13:00 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC NVega /4B, Location #311764 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Unused bonnet on concrete barrier. See photo #0667 with a corrective action date of 3/14/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
