**General Comment:**

On 2/27/2020 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Kochia debris needs to be removed and properly disposed of by 3/16/2020.

See below, and attached photos for additional detail.

1003a. Waste and Debris removed? \_\_\_\_\_

Comment

Kochia debris up to 5 feet tall observed along the northern fenceline of the working area. 2018 FIR indicates kochia was observed and managed in 2018.

Corrective Action

Remove and properly dispose of kochia debris. As kochia debris is previously documented on this location, operator needs to proactively manage weed debris during the active growing season.
