**General Comment:**

This is an Abandoned Location Inspection, for Well AP#045-13284, a Follow Up to Insp Doc#692401824 Dated 1/17/20. APD was first Approved in 2006 for Antero; Permit Abandoned in March 2018 by Ursa. This Well had Conductor Set, which was Plugged 2/28/19. It does not appear that this AL Well was Drilled on Location with One Producing Well; therefore, this would be a Well Release on an Active Location.

Final Reclamation Status for this Well was withheld until inspection could be conducted out of snowcover, to insure that all evidence of Well had been removed. Refer to Reclamation Section.
