**General Comment:****COGCC Inspection Report Summary**

On Tuesday 3/10/20 at approximately 11:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC Mitchell /32-6 Pad, Location #334551 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Unused 2" piping by separators. See photo #0733 with a corrective action date of 3/25/20. Multiple holes through out tank containment liner. See photo #0734, #0735 and #0736 with a corrective action date of 3/30/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
