**General Comment:****COGCC Inspection Report Summary**

On Tuesday 3/10/20 at approximately 14:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC Griffith /14-2 Pad, Location #312587 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Unused valve handle next to meter run. Unused poly pipe next to tank battery. See photo #0750 and #0751 with a corrective action date of 3/25/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
