General Comment:**COGCC Inspection Report 689804284 Summary**

On Wednesday 06/03/2020 at approximately 11:35, I, Inspector Emily Waldron, conducted a field inspection at Wolverine Resources LLC Ellis 44-30, at 05-081-07288 in Moffat County Colorado.

While there, I observed a shut-in location.

During this inspection the following possible compliance issues were observed:

Annual weeds on location. See photo 2. Comply with Rule 603.f by 6/30/2020.

Review of monthly operations records indicate operator is delinquent in submitting monthly operations reports. Last production reported June 2019. Well shut in at time of inspection. Submit required Form 7(s) to COGCC per rule 309 by 7/16/2020.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report 689804284.
