COGCC Inspection Report Summary

On Tuesday 8/18/20 at approximately 11:00 hours, I, Inspector Corey De Paolo,

Conducted an on-site inspection at LARAMIE ENERGY LLC NVega /4A,

Location #334463 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Sediment has migrated into the ditch that runs from the SW corner to the NW corner of location, along the base of the West cut slope. See photo #1739 and #1740 with a corrective action date of 9/2/20.

A follow up on this site inspection needs to be conducted to ensure the

Compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
