<p><b>COGCC Inspection Report Summary</b>                      On Wednesday 8/26/2020 at approximately 13:45 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDE Energy Vanderhoff Federal 13-4 location #318613 in Weld County, Colorado.                      While there, I observed trash and unused equipment on location. During this inspection the following possible compliance issues were observed: Rule 603.f. with a corrective action date of 9/11/2020.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	08/26/2020
