Comment: This location does not comply with Rule 1004. The location mostly lacks crop growth. Gravel was observed throughout portions of the location, which indicates not all gravel was properly removed. Refer to Photos 16-18.

Operator has failed to reclaim a portion of an access road, north of this location, which was not pre-existing. Refer to Photo 1.

Corrective Action:	<p>Comply with Rule 1004 to performed additional reclamation activities related to failed crop growth and reclaim the access road.</p> <p>This might be referred to Enforcement; therefore, there is no corrective action date. Operator should conduct the corrective action as soon as possible. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production.</p>	Date _____
