**General Comment:**

COGCC Inspection Report Summary  
On Friday 12/4/20 at approximately 11:30 hours, I, Inspector Corey De Paolo, Conducted an on-site inspection at CAERUS PICEANCE LLC KEINATH FEDERAL-68S96W /8SENW, Location #334106 in Mesa County Colorado.  
While there, I observed normal production operations.  
During this inspection the following possible compliance issues were observed: Sediment is being transported off of location due to tracking and lack of stabilization. See photo #2394, #2395 and #2396 with a corrective action date of 12/19/20.  
  
A follow up on this site inspection needs to be conducted to ensure the Compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
