General Comment:**COGCC Inspection Report Summary**

On Thursday 2/18/2021 at approximately 1000, I, Inspector Scott Ramsey, conducted a routine inspection at Caerus P26NWB, at Location # 335365 in Garfield county Colorado.

While there, I observed normal production operations. All meters calibrated on location within a year. This location is within a Density Habitat and Wildlife Management Area. Limited storm water inspection due to snow cover

During this inspection the following possible compliance issues were observed:

1. Location shows signs of lack of stabilization on pad

2. No evidence of tracking control BMP's

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
