**General Comment:**

COGCC Inspection Report Summary

On Thursday 2/18/21 at approximately 14:00 hours, I, Inspector Corey De Paolo,

Conducted an on-site inspection at LARAMIE ENERGY LLC NVega /4A,

Location #334463 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: The battery sign is located at the entrance to location and not the tank battery. Battery sign missing API numbers. See photo #2930 with a corrective action date of 4/18/21.

A follow up on this site inspection needs to be conducted to ensure the

Compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report
