Comment: [D.C. Dozer Service LLC submitted a Form 27 Supplemental Form on 1/15/2021. The attachment stated the tank battery and pit area was tilled, planted with approved grass seed mix, and straw mulch spread. At the time of this inspection, that statement is not true. Only topsoil has been hauled in and water bars built for stormwater erosion control. Refer to the attached inspection photos.](#)

Corrective Action:	Comply with Rule 1004 to finish final reclamation activities no later than April 30, 2021.				Date	04/30/2021
