<p>COGCC Inspection Report Summary                      On Tuesday August 17, 2021 at approximately 9:46AM, I, Inspector Randy Silver, conducted an on-site inspection.                      Location: Champlin 86 Amoco F #1                      Operator: KP Kauffman                      API#: 123-104460                      County: Weld                      While there, I observed a P&amp;A site.                      During this inspection the following possible compliance issues were observed:                      Unused equipment: Rule 1004 a Corrective action date of 9-17-21                      Weather conditions: Dry                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	08/17/2021
