General Comment:

On 8/17/2021 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Stormwater and erosion controls need to be installed along the access road by 9/25/2021. Stormwater and erosion controls need to be selected, sized, installed, and maintained according to good engineering practices.

See below, and attached photos for additional detail.

Reclamation - Storm Water - Pit**Interim Reclamation:**
