General Comment:

This inspection is in response to complaint #402835998.
See attached photos and additional details within this report.

Location

Lease Road:			
	Type	Access	
comment:	Landowner complaint cited oil and gas vehicles and equipment driving and parking off the access road boundary. Vehicle tracks and grass layed over was observed near the metal building. All vehicles used by the operator, contractors, and other parties associated with the well shall not travel outside of the original access road boundary per Rule 1002.e.		
Corrective Action:	Immediately Comply with Rule 1002.e. Provide documentation of ROW easement. Repair areas of vehicle tracks and rutting. Restrict access by fencing from the CR 51 to the metal building per landowner specification.		Date: 10/22/2021
