Comment: This location does not comply with Rule 1004. Operator has failed to complete final reclamation activities and has failed to perform weed management.

Corrective Action:

Date **05/14/2018**

Comply with Rule 1004. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production. Provide documentation within the FIR Resolution form of when the corrective action work will be completed and provide date and documentation of coordination with the surface owner.

Corrective action date is being back dated to when all final reclamation activities should have been completed.
