**General Comment:****COGCC Inspection Report Summary**

On Tuesday 3/10/2022 at approximately 1100, I, Inspector Scott Ramsey, conducted a routine inspection at Laramie Energy Stake Springs Compressor, at Location # 421685 in Rio Blanco county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I inspected the tank battery outside of fenced in area. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife Management.

Location is snow covered in areas at the time of inspection.

During this inspection the following possible compliance issues were observed:

1. One tank is miss labeled for quantity (tank is a 500 BBL and labeled 400 BBL)

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
