General Comment:

This is a follow up of the previous reclamation inspections; #6690200763, #690201460.
The location is not in compliance with the Final Reclamation requirements.
See attached photos and additional details within this report.

This is the second inspection documenting non-compliance of the reclamation rules.
The corrective actions of the previous reclamation inspections have not been performed.
Operator is directed to perform corrective actions outlined on this inspection report immediately.
