To Whom It May Concern:

Enclosed please find permit applications for the following wells:

Also enclosed are the completion reports for the commingling of our Dinner E Unit #2 well.

Please deduct the permit fee amount of \$600.00 from our current \$3,400.00 credit balance. According to my records this will then leave us with a credit balance of \$2,800.00. If my figures differ from yours, please give me a call.
