<p><b>COGCC Inspection Report Summary</b>                      On Tuesday 5/3/2022 at approximately 10:50 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Anadarko Spaur Tank Battery 41-7 location #425986 in Weld County, Colorado.                      While there, I observed trash on location. During this inspection the following possible compliance issues were observed: Rule 606. with a corrective action date of 5/20/2022. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	05/03/2022
