Comment: **This location does not comply with Rule 1004. There is an approximate 30' x 50' area of stunted corn growth along the southern tank battery location.**

The well location and flowline areas appear to be reflective of reference crop areas.

Corrective Action:

Date **09/28/2022**

Comply with Rule 1004. Collaborate with the landowner to determine mitigating measures that will allow reclamation work to be conducted in such a manner as to not interfere with agricultural activities or crop production. Provide documentation within the FIR Resolution form of when the corrective action work will be completed and provide date and documentation of coordination with the surface owner.

The corrective date is the date the location was observed out of compliance.
