General Comment:

On 12/27/2022, Reclamation Specialist O'Malley conducted an interim reclamation and stormwater inspection at Caerus Piceance LLC's SHIDELER-67S92W/19SENE Location #334886 in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

- Open ended piping at tank battery
- Tank battery sign absent
- Bull plugs not installed on tanks
- Stormwater: erosion of fill slope behind separator

Refer to the "Location," "Reclamation," and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment Areas of the location not needed for production, or no longer in use have been reduced and reclaimed. Interim areas are vegetated with introduced perennial grasses. If annual undesirable plant species and/or noxious annual weeds (cheatgrass) are present, they are not evident due to winter season and snow cover. A full vegetation assessment will be performed during the growing season.
