RE: Craig Airport #1, Sec. 6,
T-6-N, R-90-W, Moffat County,
Colorado

Mr. D. V. Rogers
State of Colorado Oil & Gas Commission
Dept. of Natural Resources
Room 237 Columbine Bldg.
1845 Sherman Street
Denver, Colorado 80203

Dear Mr. Rogers:

Enclosed is a Sundry Notice requesting Temporary Suspension of our Craig Airport #1 Well. Due to mechanical problems we will not be able to complete the well in its present condition. In addition, we are sending a copy of the drill stem tests and a copy of the directional survey. All logs have been submitted.

Yours very truly,

TREND EXPLORATION LIMITED
