Re: Tow Creek Unit, Routt County
1985 Plan of Development

#1-36?

Gentlemen:

Your Tow Creek Unit 1-27 took somewhat longer than normal to drill. However, we are well aware of the weather conditions as mentioned in yours of August 5, 1985. There have been other operators on state leases with the same problem.

Your Plan of Development for 1985, i.e. the drilling of the well in the NE/4NE/4 of Sec. 36-6N-87W, 6th PM, is hereby approved.

Also, your designation of Edwin L. Cox and Berry R. Cox whose address is 2800 Great-West Life Tower, 1675 Broadway, Denver, CO 80202, is acceptable under the terms you prescribed.

We have corrected a typo in the description from 27 West to 87 West, there being no 27 West in Routt County.

Good luck on your next well.
