Mike and Mo,

I have reviewed the above referenced Form 9 Transfers and noted the following issue:

Issue 1 – The Form 9 Subsequent Attestation is missing the Subsequent document number at the top of the page for both transfers.

Solution 1 – Please resubmit the Subsequent Attestations referencing the correct Subsequent document number at the top of the page for each transfer. The revised attestations can be emailed to me and I will upload them to the Forms

Assuming the other Form 9 requirements are met, all Form 9s shall now be passed with the following two COAs:

The Buying Operator must file a *Form 3, Financial Assurance Plan*, within 10 business days of Form 9 approval. Per Rule 702, Buyer will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission's approval of the *Form 3, Financial Assurance Plan*.

The Selling Operator must file a *Form 3, Financial Assurance Plan* within 10 business days of Form 9 approval. Per Rule 702, Seller will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission's approval of the *Form 3, Financial Assurance Plan*.

Both operators can respond by email confirming their acceptance of the Conditions of Approval.

Please add the following comment to the new Form 3 after the approval of a Form 9 transfer in Operator comments:

This Form 3 Document #_____ is submitted as a result of an approved Form 9 Transfer of Operatorship and it replaces Form 3 document # _____.

Please let me know if you have any question.

Thanks,
Deb
