Dear Mr. Walther:

We are in receipt of your letter dated March 24, 1977, in reply to our letter dated March 22, 1977, wherein you state that drilling of the referenced wells has been indefinitely deferred; therefore, approval of these applications may be cancelled. As of this date, we are rescinding the referenced applications, which were approved January 23, 1976 and October 9, 1975 respectively, without prejudice.

You further advise that any surface disturbances will be rehabilitated, and in the event you decide to drill either of these wells at a later date that you will submit new Applications for Permit to Drill.

Sincerely yours,

(Orig. Sgd.) E. W. Guynn
